

EMILIA: The story so far

EMILIA is an EU funded project which explores the use of lifelong learning as a means of achieving improved social inclusion of mental health service users.

23rd September 2009

Nordlys Hotel
Bodø, Norway

Aim

The EMILIA Project is drawing to an end and this conference aims to present the findings so far. Presenters are both users and professionals who have been involved in the project.

Who should attend?

Patients, users, carers, user organisations, staff in mental health services in both the community and hospitals, labour market agencies and other interested parties.

Registration

Registration is free and binding. You can register either online at www.emiliaproject.net or in writing pr fax +47 75 50 12 24, post or E-mail ida@nlsh.no.

Deadline 14th September 2009

Note places are limited!

Partners of the project do not need to register!

Visit www.emiliaproject.net for more information.
