Introductory note/*Kratki napotki*

Welcome to our conference in the heart of Lipica. We hope you enjoy the programme that we have created. This introductory note is to outline what to expect over the course of the day. The welcome speeches and keynote lectures will be delivered live in Room 1, but conference attendees may watch the simultaneous screenings of these speeches in other rooms, as it will not be possible to have all the participants in Room 1 due to space constraints and the large number of attendees.

Simultaneous interpretation into Slovenian and English will be provided for the welcome addresses, the keynote lectures, and final roundtable discussion, while interpretation during the parallel sessions will be provided for a small number of people in each room (at the side or back of the room).

The conference will have three breaks, two shorter ones with coffee/tea and one longer one. During the longer break, lunch will be provided for all the participants. The drinks are not included.

Vabljeni na našo konferenco v srcu Lipice. Upamo, da boste uživali v programu, ki smo ga ustvarili. Ta uvodna opomba opisuje, kaj lahko pričakujete čez dan. Uvodni nagovori in naslovna predavanja bodo potekali v živo v sobi 1, obenem pa bodo njihove projekcije istočasno potekale tudi v drugih sobah, saj zaradi omejenosti prostora in velikega števila udeležencev ne bo mogoče, da so vsi v sobi 1.

Simultano tolmačenje v slovenski in angleški jezik bo potekalo ob uvodnih nagovorih, naslovnih predavanjih in zaključni okrogli mizi, medtem ko bo v vzporednih sekcijah prevod zagotovljen manjšemu številu ljudi v vsaki sobi (praviloma ob strani ali na dnu sobe).

Konferenca predvideva tri odmore, dva krajša, za kavo/čaj in enega daljšega. Med daljšim odmorom bo za vse udeležence poskrbljeno za pogostitev. Pijača ni vključena.
